Education

Maple High School — Toronto, ON

IB Diploma Programme, Ontario Secondary School Diploma — *Expected June 2027*

- Average: 95%+ (97% in Grade 11)
- IB HL: Chemistry, Economics, English. IB SL: Mathematics, Physics, French, Philosophy

Projects

Swarm Robotics Research Paper | *The Knowledge Society* — Aug. 2026 - Present

- Writing a paper arguing that swarms of small robots could study ecosystems and microbiomes while barely disturbing them
- Reviewed ~15 research papers and articles on swarm behaviour, ecological field methods, and microbiome sampling
- Publishing on Medium and sharing with CS Club members

Experience and Leadership

Co-President, Computer Science Club — Aug. 2025 - Present

Maple High School — *Toronto, ON*

- Co-taught 20+ lessons to a 23-member club (~15 per meeting) on syntax, loops, methods, AI ethics, and NotebookLM
- Ran practice sessions on past Canadian Computing Competition problems; more than half the club then wrote it
- Plan lessons in advance with the executive team and design posters and social media posts to promote the club

Executive, Lesson Planning, Robotics Club — Sept. 2026 - Present

Maple High School — *Toronto, ON*

- Writing the C++ code and example programs behind robotics lessons for 30+ Arduino kits (Nov. 2026)

Student — Aug. 2026 - Present

The Knowledge Society (TKS), weekend program

- Held ~10 one-on-one conversations with TKS students worldwide, including one in Dubai on how API calls work

Assistant Camp Counselor, STEM Camp — July - Aug. 2025

Vellore Village Community Centre — *Vaughan, ON*

- Taught basic chemistry, physics, and math to 35 to 40 campers aged 4 to 7, two days a week (~110 hours)
- Explained experiments such as foaming acid-base reactions, the aerodynamics of flight, and pulleys in simple terms

Tae Kwon Do Instructor — Sept. 2019 - Oct. 2020

Pulse Academy — *Toronto, ON*

- Taught 16 students aged 7 to 10, 2 to 3 times a week, until COVID-19 closed the academy; 12 moved up a belt
- Corrected each student's form, explained techniques step by step, ran warm-ups, and reported to the headmaster
- Trained for 7 years and earned a black belt in 2021

Centre, Basketball Team — 2026 Season

Brodie League, Division 3 — *Toronto, ON*

- Played 14 games and worked out game strategy with teammates; the team reached the playoff quarterfinals

Awards and Competitions

School: Principal's Honour Roll (Grade 11, 97% average); Physics Award and Philosophy Award (Grade 11); Physical Education Award (Grade 10); English Award (Grade 9)
Contests: Sir Isaac Newton Physics Exam, top 5 in school (May 2026); Canadian Computing Competition, passed (Feb. 2026); Fermat Mathematics Contest, completed (Feb. 2026)

Skills

Electronics: Arduino, breadboard circuits, basic sensors and motors
Programming: C++, Python, Java
Tools: Claude Code, Replit, Google NotebookLM, Obsidian, Notion, Google Workspace
Languages: English, French (intermediate)
